Cobtree Playschool is a registered provider of Nursery Education, situated in the lovely grounds of Mote Park, Maidstone, Kent.

We have been supported by Maidstone Mencap Charitable Trust for over 25 years, becoming an integral part of our local community.

As a charity, we support children and young people with learning difficulties, additional needs and disabilities. Many of our children have complex medical or developmental needs, are autistic or have difficulties with their communication.

Our vision is to make a positive difference to their lives, by enabling and empowering all children with learning disabilities to achieve their true potential.

By joining Playschool, you can help us provide the best possible start, through our support, care and education, from their early years onwards; all within our safe and caring environment.

Joining our team as a volunteer you will be providing this valuable care 1:1 to help meet their individual needs and supporting our dedicated team of key staff.
